Candidacy to the Executive Committee - Organizer member: Cristina Murgia // LAVAREDO ULTRA TRAIL

I am applying to the Executive Committee of ITRA as Organizer member of Lavaredo Ultra Trail. I'm currently Vice-president of Camelbag SSDRL that organizes also Firenze Urban Trail and Ecotrail Florence.

I'm fluent in English and speak basic French. I love meeting and exchanging experiences with people and cultures from all over the world.

I believe in cooperation between people and Organizations and I think sharing competencies is the best way to learn. Since Lavaredo Ultra Trail is part of the Ultra Trail World Tour I have had the chance to talk and share experiences with several Organizers from all continents.

I'm convinced of the importance of ITRA as an association as a reference for all the organizers and athletes and I believe it should be more widespread in all countries.

These are the reasons why I am applying to the Executive Committee.
