

To ITRA,

I would like to nominate for a position on the ITRA Steering Committee as a Sports Member (Runner).

The sport of trail running is growing rapidly in Australia in both participation and the the amount of events being held across Australia. It is an exciting time to be involved with the development of the sport.

I believe to help guide the sport around the World a representative from countries outside of Europe is essential. Australia has shown great support to ITRA and it's objectives and I would like to continue that process by working with ITRA on the Steering Committee.

Thank you for the opportunity to participate in this election. I hope to see you at the Annual General Meeting in Badia Prataglia in June.

Regards,

Aaron Knight
