Founder of the Association
Trail-Running Portugal (ATRP)

Having been one of the founding members and vice president of the executive board for the last years, I'm proud of what we have achieved in such a short period of time. Indeed a good team work!

The rapid Trail Running growth, brings us important challenges to face, like the best way to implement the governante of our sport, how to improve the quality and safety of the new events, while keeping at the same time our core values.

I'm ready to continue to give my contribution and to help ITRA to achieve those goals.
